

Automotive & Battery Forum 2023

25-27 April

Grand Hotel Sofia

Day 1: Battery Day

13.00	Official Opening
13.30	Keynote speech: Bob Galyen, <i>Advisor, EnergyX Advisory Board (tbc)</i>
14.00	Horizon scanning on EU level – <i>Maria Gabriel/ DG Energy/ European Battery Alliance / Batteries Europe (tbc)</i> Investment climate in Bulgaria - <i>InvestBulgaria</i>
14.40	New EU regulation on batteries – sustainable batteries for a circular and climate neutral economy – <i>Kinstellar</i>
15.00	The latest breakthrough in EV batteries and energy storage systems - Infineon
15.30	Coffee break & networking
16.00	Recent breakthroughs in battery development, Dr. David Brown <i>CEO, BroadBit Batteries</i>
16.45	Coffee break & networking
17.00	Roundtable discussion: Regional outlook
17.30	Battery management – <i>MBition (tbc)</i>
19.00	Gala Dinner

Day 2: Innovation Day

10.00	Measures for deployment of battery storage solutions in Europe Kinstellar
10.20	Solution for safe lithium-ion battery energy storage systems Eng. Krasimir Krastev, Sales Representative Fire Safety and Security Systems, Siemens
11.00	The future of charging infrastructure <i>ABB, Schneider Electric, Eldrive (tbc)</i> James Glover, Director, Viridian EV Ross Bearman, Account Manager, Viridian EV
11.30	Battery electric trucks Victor Lejona, Project Manager, Cenex
Lunch break	
	<u>Automotive production</u>
13.00	Digital transformation in manufacturing <i>Festo, Schneider (tbc)</i>
13.30	Supplier discussion <i>Odelo, Witte Automotive, Bader (tbc)</i>
14.00	Industry 4.0: Robotics and Automation Eng. Hristo Gilishtarov, Managing Director FANUC Bulgaria <i>Kuka, Rockwell, Denso Robotics (tbc)</i>
14.30	Coffee break
