TİCARET BAKANLIĞI  
Ürün Güvenliği ve Denetimi Genel Müdürlüğü

Sayı : E-30188204-010.01-00088477893  
Konu : Dış Ticarete Ürün Güvenliği

DAĞITIM YERLERİNE

Bilindiği üzere, Bakanlık olarak öncelikli hedeflerimizden biri ihracatımızın sürekli artışını sağlamaktır. Bu hedefe katkıda bulunan en önemli unsurlardan biri ise ihraç edilen ürünlerimizin kalitesi, güvenliği ve yurt dışı pazarlardaki güçlü imajıdır.

Avrupa Birliği teknik mevzuatı paralelinde uygulanan ülkemiz ürün güvenliği mevzuatı ve uygulamaları, bir yandan yurtiçi piyasaya arz edilen ürünlerden kaynaklanabilecek risklerden vatandaşlarımızın korunmasını sağlarken aynı zamanda ürünlerimiz için daha yüksek kalite ve güvenlik seviyesi getirerek ihracatta da avantaj yaratmaktadır. Ürün güvenliği alanındaki üst mevzuat olan **7223 sayılı Ürün Güvenliği ve Teknik Düzenlemeler Kanunu** 12.3.2020 tarihli ve 31066 sayılı Resmî Gazete’de yayımlanarak 12.3.2021 tarihinde yürürlüğe girmiştir. Kanunun 2 nci maddesinin ikinci ve dördüncü fıkralarında, Avrupa Birliği (AB) üyesi ülkeler ile AB üyesi ülkeler dışındaki ülkelere ihraç edilen veya ihraç edilmesi hedeflenen ürünlerin tabi olacağı şartlar düzenlenmekte, bu şartları sağlamayan ürünler için uygulanacak idari yaptırım kararları da Kanunun 20 nci maddesinde hüküm altına alınmaktadır.

İhraç ürünler için Kanunda düzenlenen hükümlerin uygulama usul ve esasları 15.9.2022 tarihli ve 6038 sayılı Cumhurbaşkanlığı Kararı ekinde yayımlanan Teknik Düzenlemeler Rejimi Kararı ve söz konusu Karara dayanılarak hazırlanıp 16.8.2023 tarihli ve 32281 sayılı Resmî Gazete’de yayımlanarak yürürlüğe giren **Dış Ticarete Teknik Düzenlemeler Yönetmeliğinde** detaylı bir şekilde düzenlenmiştir.

Bu kapsamda;

- Teknik Düzenlemeler Rejimi Kararının 8 inci maddesinin birinci fıkrası uyarınca, Kanunun 2 nci maddesinde de belirtildiği üzere; AB üyesi ülkelere ihraç edilen ürünler ülkemiz piyasasına arz edilmiş sayılır, AB üyesi ülkeler dışındaki ülkelere ihraç edilen ürünler ise genelde ithalatçı ülke teknik düzenlemelerine uygun olarak ihraç edilmekle birlikte, ürünlerin ülkemiz gelişmiş teknik düzenleme ve standartlarına göre üretilmesi nedeniyle ithalatçı ülkelere çoğu zaman bu şekilde tercih de edilmektedir. Ancak, her durumda, üçüncü ülkelere ihraç edilen ürünlerin de güvenli olması, taşıma konusu olmaması veya ürüne ilişkin işaretleme, etiketleme ve belgelendirmenin alıcıyı yanıltmayacak şekilde yapılması zorunludur. İhraç edilen ürünlerin bu şartlara uygun olmasından ihracatçılar sorumludur.

**Bu belge güvenli elektronik imza ile imzalanmıştır.**

- Yönetmeliğin 11 inci maddesi uyarınca; ülkemiz piyasasına arz edilmiş sayılan AB üyesi ülkelere ihraç edilen ürünlerin denetimleri yetkili kuruluşlar tarafından piyasa gözetimi ve denetimi yoluyla yapılmakta, yetkili kuruluşun Kanun kapsamında uygulayacağı idari para cezası ve alacağı önlemlere ilave olarak Bakanlığımız da Teknik Düzenlemeler Rejimi Kararınının 13 üncü maddesinde yer alan müeyyideleri uygulayabilmektedir.
- Yönetmeliğin 12 nci maddesi uyarınca ise; AB üyesi ülkeler dışındaki ülkelere ihraç edilen ürünlerin güvenli olmadığı, taşıma konusu olduğu veya ürüne ilişkin işaretleme, etiketleme veya belgelendirmenin alıcıyı yanıltacak şekilde yapıldığına yönelik bildirim, şikayet ve ihbar olması durumunda Bakanlığımızca konunun incelenmesine yönelik gerekli bilgi ve belgeler temin edilmekte, mümkün olması durumunda ilgili yetkili kuruluş tarafından alınacak numuneler analize tabi tutulmakta ve kurulacak bir komisyonun değerlendirmeleri sonucu Kanun ve Teknik Düzenlemeler Rejimi Kararında öngörülen müeyyidelerden gerekli görülenler Bakanlığımızca uygulanmaktadır.

7223 sayılı Kanunun yürürlük tarihinden bu yana Bakanlığımıza, yurtdışındaki temsilciliklerimizden, medya aracılığıyla veya bireysel şikayet yoluyla ihraç edilen ürünlerimizin uygun veya güvenli olmadığına ilişkin çok sayıda iddia ulaştırmıştır. Bir kısmı ihracat gerçekleştirilen ülkelerin yetkili otoritelerinin tespitlerini de içeren bu iddialar gün geçtikçe artmakta ve bu durum ihraç ürünlerimizin kalitesi ve güvenliğine şüphe düşürmekte ve yurtdışındaki Türk Malı imajını ciddi anlamda zedelemektedir.

Türk Malı imajına verilen zararın yanı sıra bu durum insanların sağlığı ve güvenliği için de bir tehdit oluşturmakta ve ülkemiz piyasasına arz edilen ürünlerle ilgili de soru işaretleri yaratmakta, basına da yansıyan bazı vakalar kamuoyunda kaygı yaratmaktadır.

Bu çerçevede, ülkemiz ihraç ürünleriyle ilgili olarak bu zamana kadar şirket bazlı olarak Bakanlığımıza aşağıdaki sorunlar intikal etmiştir:

- Isıl işlem görmüş kum midyesi ürünlerinin ülkemiz mevzuatına göre yasak olmasına rağmen ıspanılarak ihraç edildiği,
- Kanada'da uygulanmakta olan tekstilde yanmazlık düzenlemeleri kapsamında ülkemizden Kanada'ya ihraç edilen yetişkin tekstil giyim ürünlerinin yanmazlık gerekliliklerini karşılamadığı ve yine Kanada'ya ihraç edilen ballarda ilave şeker tespit edildiği,
- Fas'a ihraç edilecek kumaş ürünlerinin Fas mevzuatı gereği menşe ülkesinde uygunluk denetimi sonucu uygunluk sertifikası (Certificat de Conformité de la Marchandise - COC) temin etmesi gerektiği ve bazı ihracatçıların bu belgeyi yurt içinde temin etmediği için Fas gümrüklerinde sorun yaşadığı,
- Azerbaycan'a ihracatı yapılan gübre ürünlerinin varış ülkesinde yapılan laboratuvar testleri sonucuna göre belirtilen ürün içeriği niteliklerini karşılamadığı,
- Avustralya'ya ihraç edilen fındık şekerlemesi ve fıstık ürünleri, Brezilya'ya ihraç edilen badem ile Japonya'ya ihraç edilen fındık, antep fıstığı ve kuru meyveli ürünlerde aflatoksin tespit edildiği ve bu ürünlere yönelik kontrollerin sıklaştırıldığı,
- Singapur'a ihraç edilen baharat ürünlerinin uygunsuz renklendirici içerdiği,

**Bu belge güvenli elektronik imza ile imzalanmıştır.**

HURİYE KARABACAK

Ticaret Uzman Yardımcısı

Telefon No: 03122048982

- Yeni Zelanda'ya ihraç edilen tahin ürünlerinde salmonella tespit edildiği,
- Tayvan'a ihraç edilen yumurtalarda yasaklı olan bazı kimyasal maddelerin tespit edildiği,
- Toplam kurşun miktarı bakımından mevzuata aykırı ve insan sağlığını tehlikeye atacak şekilde ayakkabı üretilip Suriye, Mali ve Irak gibi bazı Afrika ve Orta Doğu ülkelerine ihraç edildiği,
- Avrupa Komisyonu tarafından, ülkemizden AB'ye ihraç edilen balların tağış nedeniyle şüpheli olduğunun tespit edildiği.

Her bir iddianın yetkili kuruluşlar ve ilgili taraflarla bilgi alışverişinde bulunularak incelenmesine devam edilmektedir. İncelemeler sonucunda ise gerekli görülmesi halinde ilgili mevzuatta belirtilen müeyyideler uygulanacaktır.

Öte yandan, AB piyasasına arz edilen ürünlerle ilgili olarak, Avrupa Komisyonu tarafından işletilen ve gıda dışı ürünler için kullanılan **Avrupa Birliği Hızlı Uyarı Sistemi (RAPEX)** aracılığıyla tüm Avrupa Ekonomik Alanı ülkeleri ve Komisyon arasında sağlığa ve güvenliğe risk arz eden ürünlerle ilgili bilgi paylaşımı sağlanmaktadır. Komisyon tarafından güvensiz ürünlere ilişkin bildirimler <https://ec.europa.eu/safety-gates-alerts/screen/webReport> adresinden düzenli olarak yayınlanarak kamuoyu ile paylaşılmakta olup bildirimler herkesin erişimine açıktır. Bu kapsamda söz konusu bildirimler Bakanlığımızca da haftalık olarak takip edilerek yetkili kuruluşlara iletilmekte ve gerekli denetimler gerçekleştirilmektedir.

2021 yılı Nisan ayından bu yana RAPEX üzerinden yayınlanan ülkemiz menşeli ürünler ekli tabloda listelenmiştir.

Söz konusu tablo değerlendirildiğinde, yıllar itibarıyla ülkemiz menşeli güvensiz ürün bildirimlerindeki artış dikkat çekmektedir. Bu durumun, insan sağlığı üzerinde olumsuz etkiler yaratabileceği gibi ülkemiz menşeli ürünlerle ilgili AB nezdinde olumsuz bir imaj oluşturabileceği ve dahası ülkemiz ürün güvenliği sistemine yönelik eleştirileri gündeme getirebileceği ve tüm bu sebeplerden ülkemiz ihracatına olumsuz etkileri olacağı açıktır.

Bilgilerini ve bu kapsamda, yukarıda sıralanan şikayet ve bildirimler ile ekli tabloda yer alan ülkemiz menşeli ürünlere ilişkin bildirimlerin ihracatçılarımız tarafından ciddiyle ele alınması, Türk Malı imajının korunması ve ticari hayatta zarar görülmemesi için ihracat yapılacak ülkelerin mevzuatına aykırı olmayacak şekilde ihracat yapılmasına azami özen gösterilmesi ve aykırı durumlarda mevzuatın verdiği yetkiler çerçevesinde, sorumlu taraflara **uyarı, idari para cezası, mevzuatta tanımlanan çeşitli muafiyetlerden sürelili veya süresiz men veya ihracatın sürelili veya süresiz durdurulması** müeyyidelerinden uygun görülenlerin uygulanacağına dair ihracatçılarımızın bilgilendirilmeleri hususunda gereğini rica ederim.
